By completing this application, the property owner is requesting permission to install a deduct meter, and agrees to abide by The Township of Cheltenham's Ordinance No. 2297-15 pertaining to sewer charge adjustments for water which is used but does not enter the Township's sanitary sewer. Property owner is responsible for selecting and installing an approved meter appropriately sized for their use.

No deduction shall be granted for users of the Sanitary Sewer System who do not have a metered water supply.

No deduction shall be granted for users of the Sanitary Sewer System who are delinquent in their sanitary sewer payment to the Township for such service.

100% of any used water for which a deduction is requested must have been prevented from entering the sanitary sewer system. For each season, the initial meter reading shall be recorded no earlier than April 1st, and the final meter reading shall be recorded no later than October 31st.

Approved meter manufacturers: Badger, Sensus, Neptune, AMCO, Carlon, Master
