AREA OF REGULATED ACTIVITY**

Estimated Area of Regulated Activity: _____ Square Feet

** : "Regulated Activity" is defined as "Any earth disturbances activities or any activities that involve alteration of development of land in a manner that may affect stormwater runoff".

Permit is required for any project with a regulated activity area over 250SF. Refer to Cheltenham Township Ordinance Chapter 290, Watershed Stormwater Management for specifics relating to any exemptions and to the requirements relating to Stormwater Management.

PERMIT FEES: COMMERCIAL \$400.00 RESIDENTIAL \$200.00

APPLICATION GUIDELINES:

1. Determination of Need of Application: This application is required for all projects which will involve any earth disturbance and/or the formation of additional impervious surface. An "Impervious Surface" is defined as a surface that prevents the infiltration of water into the ground. Impervious surfaces (or areas) shall include, but not be limited to, roofs, additional indoor living spaces, patios, garages, storage sheds and similar structures, and any new streets or sidewalks. Decks, parking areas, and driveway areas are not counted as impervious areas if they do not prevent infiltration. Other areas/structures may be classified as "impervious" as determined by the Township Engineer within the meaning of this definition. Note that for this purpose, the water area of a swimming pool shall be considered pervious.
2. Application Requirements: Three (3) sets of fully completed applications must be submitted to the Township during normal business hours. Each application set shall include a copy of a project site plan with the required information noted in Item #3 below.
3. Site Plan Requirements: (Note that certain permit requirements may be waived by the Township at the discretion of the Township Engineer depending on the purpose and complexity of the application.)
 - A. General Information/Requirements –
 - 1) Site Plan to be a minimum size of 8½" x 11";
 - 2) Scale of Plan to be not less than 1" = 50';
 - 3) North Arrow;
 - 4) Contour lines at not more than 2' Intervals
 - 5) Subdivision Name (if known);
 - 6) Lot # of Subdivision &/or Tax Map Parcel #;
 - 7) Zoning Information
 - 8) Total Area of Site (Acres/Square Footage);
 - 9) Area of Regulated Activity-written & physical outline of area (Acres/Square Footage);
 - 10) Plan Preparer, Professional Engineer or Land Surveyor (Registrations to be in PA);
 - 11) Date Plan initially prepared and all revised plan dates with revision described
 - B. Existing Features –
 - 1) Topography;
 - 2) Vegetation;
 - 3) Water Courses;
 - 4) Man-made Features;
 - 5) Boundary Line Survey (Metes & Bounds);
 - C. Proposed Features –
 - 1) Structure location with Building dimensions, including Finished Floor Elevation;
 - 2) Setback dimensions;
 - 3) Proposed Contours, with Spot Elevations and surface water directional flow arrows, as needed;
 - 4) Location and size of all impervious surfaces;
 - 5) Location of all utilities, including water supply, waste disposal systems, clean-outs, etc.;
 - 6) All proposed Soil Erosion and Sediment Control measures;
 - 7) If not part of a larger land development, then the plan must meet the requirements of the Township's Stormwater Ordinance. All proposed Stormwater Management Controls with associated design calculations, if necessary.
 - 8) Additional information may be required based on individual site conditions or development situations.

IMPERVIOUS COVERAGE

This form is to be completed for any permit application for a project which will involve the construction or installation of any impervious surface (see definition on page 2 of this application).

Calculation of Developable Area:

| | | |
|----------------------------|-------|-----------|
| Property Area (Gross): | _____ | SF |
| - All Easement /ROW Areas: | _____ | SF |
| Developable Area: | _____ | SF |

Calculation of Total Impervious Surface Area:

Existing Impervious Surfaces:

| | | |
|--|-------|-----------|
| Buildings: | _____ | SF |
| Driveway Area: | _____ | SF |
| Sidewalks/Walkways: | _____ | SF |
| Patio/Hardscaping: | _____ | SF |
| Pool Decking, other: | _____ | SF |
| Total Existing Impervious Surface Area: | _____ | SF |

Proposed Impervious Surfaces:

(List all proposed surface areas.)

| | | |
|---|-------|-----------|
| Area #1: | _____ | SF |
| Area #2: | _____ | SF |
| Area #3: | _____ | SF |
| Area #4: | _____ | SF |
| Total Proposed Impervious Surface Area | _____ | SF |
| Total of Existing & Proposed Impervious Surface Areas: | _____ | SF |

Impervious Coverage:

Existing : _____% Proposed/Total: _____%
 Impervious Coverage = Impervious Surface Area/Developable Area

Per §295-243, Performance Standards for the Age-Restricted Overlay District, the maximum impervious coverage is 45%.

Print Applicant(s) Name(s) _____

Date: _____ Signature of Property Owner(s) _____

Print Property Owner(s) Name(s) _____

By signing this application, authorization is granted to any municipal representatives of Cheltenham Township to access the above property as stated within this application at any time, without an administrative warrant, to inspect and verify that any proposed work contained within this application on the above property complies with this permit. The application together with the signed site plan and construction documents is made part of this application by the undersigned. Furthermore, it is clearly understood and agreed to by the applicant and property owner that the Township office is not responsible for any property dimensions shown on the site plan and establishment of property lines is the sole responsibility of the property owner and applicant. The applicant and property owner also agree they are responsible for the replacement and repair of any township road to township standards which is damaged during the permitted construction and understands that the information provided on this application by the applicant(s) and property owner(s) is true and correct to the best of their knowledge or belief. All information contained in this application becomes part of the Public Record. The Applicant agrees to pay all Township Engineer's fees for plan review and inspection incurred above minimum permit fee.
