The banner features a blue background with a colorful mosaic of squares in shades of red, yellow, green, and blue. The word "MONTCO" is written in yellow at the top left. The year "2040" is prominently displayed in the center in large white and purple numbers. To the right of "2040" is a circular graphic divided into six colored segments, each containing a different icon representing various aspects of community planning. Below the year and graphic, the text "A SHARED VISION" is written in yellow. At the bottom of the banner, the text "HELP US PLAN MONTGOMERY COUNTY'S FUTURE!" is written in white.

It's an exciting time in Montgomery County. We are looking to the future and developing a new comprehensive plan for the county. *Montco 2040: A Shared Vision* will provide an overall framework that guides decisions about important issues facing our county related to highways, public transportation, trails, growth trends, redevelopment opportunities, overall housing needs, and natural systems. The most crucial element in the comprehensive plan process is reaching our citizens, business owners, students, and basically everyone in the county. We need your perspective on a variety of critical issues to help guide the plan in creating a shared future. There are several ways to

join in the plan process.
