
Cheltenham Chalk Challenge!

We are living in a new normal under COVID-19 and we will need to adjust to a new normal for a while as we follow social distancing guidelines to keep our community healthy. We want to focus on Cheltenham's strength and spirit.

The Township is looking for inspirational pictures or messages created in chalk from Cheltenham residents to share. The art and messages will brighten-up our neighborhoods and be shared on social media between May 9 to May 23, 2020.

Here is How It Works.....

- Cheltenham Township is accepting images of chalk pictures and inspirational chalk messages in our community between May 9 to May 23rd.
- Email the images in jpeg or png files to bhinson@cheltenham-township.org in Parks and Recreation.
- All submissions must include artist name, age and neighborhood in Cheltenham which will be shared with the image if selected.

The Township will select which images to share on social our Facebook pages, Instagram, the Township website, and publications.

We look forward to hearing from you as Cheltenham Stays Strong!
