

Staying in and cleaning the house during these cold days?

Others can use what you might throw away!

Stop by **Arcadia University** to drop off your used, but still usable, items! We are hoping to fulfill many non-profits' wish lists, which include: clothes, toys, tools, household items, cell phones, pet supplies, canned goods, etc. Drive up, let volunteers unload your car, and drive away... it's that easy!

We will also be providing a free maximum security shredding service and have an **eWaste** drive in which we will be collecting anything with a plug working or broken.

This event is free and open to the public.

WHEN: Monday, January 21st from 10:00AM-3:00PM

WHERE: Arcadia University's campus at the Murphy Hall parking lot. Follow signs from the Church Road entrance

IF YOU HAVE QUESTIONS OR WOULD LIKE TO SEE THE PARTICIPATING NON-PROFITS' WISH
