

**Cheltenham Township Parks and Recreation and
Minds in Motion LLC present:**

The Little Chemists Kit

This At Home Enrichment Kit includes all materials included for 7 hands-on activities. Each of the 7 activities has an instructional video online (links will be provided).

Activities include: UV Bracelet, Magic Sand, Snow Powder, Chromatography, Hydrophilic Frog, Pumice Rock, and Dissolving Paper. Some of these activities can be repeated using the same materials after they have dried and returned to their original state.

Kits will be mailed out after enrollment deadline. You will receive a duplicate kit if you register more than once. Younger ages may need parental assistance.

First deadline is July 24. * Second deadline is August 21. *
Third Deadline is September 18.

Kits may be mailed out prior to the deadline.
