Proxy Registration Policy

Someone other than a parent – a proxy – will be allowed to register a child for a program, **providing all of the following conditions are met:**

1. The parent must complete and sign a registration form in front of a Parks and Recreation staff member at one of our community centers during the week preceding the first registration day. The signed form can then be given to the proxy for registration and must be accompanied by the correct registration fee.
2. Proxies may register children from only one family besides their own.
3. A child registered by proxy must have a completed registration form for each class.
4. The proxy must wait in the regular registration lines to register the child. If the class reaches maximum capacity before the proxy can register the child, the child will not be allowed in that particular class. The proxy will not be allowed to register the child in another program/class without the parent’s prior written consent for that program/class. Therefore, parents should consider completing more than one consent form.
5. If any of the previous guidelines are violated, the registration by proxy will not be allowed.

Online Registration

Online registration is accepted at <http://cheltenhamtownship.recdesk.com> for most Parks and Recreation programs. Before you can register online you must create an account. Accounts can take three business days to be approved because of the verification process. If you have not recently registered for the pool you will need to show proof of residency and birth certificates showing you are the parent of the child(ren) you have added to the account. If more than one family resides at an address they will need to register as two separate families. For more information you may call or visit in person any one of the three locations listed at the bottom of this page.

Special Needs

Any Township resident with a disability wishing to attend a Township-sponsored program who is in need of an accommodation to access a Township building in order to participate in such program shall contact the Office of the Director of the Department of Parks and Recreation at 215-887-6200, ext 227 at least 72 business hours prior to the commencement of the program. Cheltenham Township is committed to providing equal access to Township-sponsored programs to all residents.

Cheltenham Township does not ordinarily provide vehicular transportation for persons of special needs to and from programs unless otherwise specified as part of a specific program. It is the Township’s policy that when vehicular transportation is provided by the Township as part of a specific program, the expenses for the transportation must be offset 100% by the program fees collected.

Cheltenham Township cannot provide refunds of program fees for time missed due to a change in plans, family vacation or a child’s illness. Cheltenham Township does not prorate for any of its programs. Cheltenham Township staff do not disburse or handle prescription or over-the-counter medication and are not trained to care for special needs children.
