Life in the Tookany Creek

We'll wade into the Creek to collect organisms that live there, do a Biotic Index to rate these organisms, and learn about the health of the Creek. Participants must wear old sneakers, water shoes, or boots to walk into the water. You can also work with us along the shore. Meet in the parking area near the Creek on High School Road at High School Park.

📍 LOCATION

Cheltenham Township, Montgomery Ave & High School Rd.
Elkins Park, PA 19027

Trees: Their Leaves and Bark

Rock Creek is an important tributary of the Tookany Creek and the site of improvements made by TTF Watershed. We'll walk there to see what has been done, discuss why leaves change colors in autumn, why some trees keep their "leaves" and why others don't, and much more! Meet at Rock Lane Park: Take Rock Lane from the Corner of Church Road and Cheltenham Hills Drive. Street parking.

📍 LOCATION

Cheltenham Township, Rock Lane
Elkins Park, PA 19027
